The first and last project I was involved with in Arthur Burk's ministry ended last week. I was a part of a team of researchers who had to study a certain part of the brain and its correlation with autism. The reason for this group is that Arthur doesn't have time to do this research and he asked for volunteers.

There is a vast difference between knowing about God and actually knowing Him. So often we stop short of the very thing that completes us, which is a personal revelation and acceptance of God's unconditional love. Go beyond what you have heard or thought about God, and step into living every day intimately connected to the ultimate Father. • Experience firsthand God's love and presence • Hear Him speak to you • Enjoy the freedom of forgiveness and living without offense • Receive healing from pain and wounds • Allow the Holy Spirit to become your best friend, comforter, and guide • Discover your true identity • Live in the boldness of being a child of God • Become a nexus like Jesus and broker the kingdom of heaven on earth Everything you truly need and desire is wrapped up in the gift of knowing God.

Spiritual growth is a mystery and is more evident in some than in others. The more the Holy Spirit shines upon the mind and puts forth His lifegiving influences in the heart, so much the more sin is seen, felt and loathed as the greatest of all evils. And this is an evidence of spiritual growth, namely, to hate sin as sin and to abhor it on account of its contrariety to the nature of God.

You are designed to touch God and supernatural The high sensitivity required to sense and feel what other people experience is what makes life painful-it also makes it possible to sense, feel, and hear from God. Christians are not immune to mood swings, emotional upheavals, feeling burned out and burned up. But you are mysteriously and uniquely designed with a high degree of spiritual sensitivity. Because of this, you are one who can join Jesus in the work He began and continues to do in the earth today. Author Carol Brown explains The Mystery of Spiritual Sensitivity-what this sensitivity looks like and what it feels like, how this sensitivity affects you, and the common, human reflex reactions to this sensitivity. You will be excited and relieved to discover that God gave you this spiritual awareness to develop spiritual maturity-yours and others. So release yourself to the Spirit of God, and learn how to respond to this most precious gift we have received from our heavenly Father!

Born in a barn, raised in a ghetto, a common laborer by trade, he spoke in obscurity, yet what did Jesus of Nazareth do to become the most quoted person in history? What would we learn if we were to evaluate Jesus' communication style in the 21st Century? Talk Like Jesus explores the techniques of the Master Communicator through the eyes of a media expert. Jesus' communication patterns are introduced with the "S.I.M.P.L.E." method, which is based on six steps: Stories, Interaction, Multi-Track Communication, Preparation, Love, Execution. With careful analysis, historical reference, humorous storytelling and even sci-fi analogies, this book challenges the reader with new communication paradigms and practical suggestions. Whether you're a high-profile CEO, salesperson, manager, teacher, parent or pastor, these time-tested methods will inspire you to improve your professional and personal communication skills by learning how to Talk Like Jesus. Leaving Home—Finding Home: My Journey from Shame to Sonship through Journaling is the first book of its kind, showing how God Himself brought inner healing by speaking into one woman's life. In it, author Jessie Mejias shares how God counsels and heals her through journaling. The central theme of Leaving Home—Finding Home is healing through intimacy with God—an intimacy that develops as she writes out her conversations with Him. The author devotes several chapters to her background and childhood, but the heart of the book is Jessie's actual journal. About her decision to share her journal verbatim, she says: "When the Lord first instructed me to write this book, my natural instinct was to transform the ramblings of my mind and heart into a nice, neat package that the reader could easily follow. However, as I prayed about His instructions, I felt very strongly that He wanted me to demonstrate how I received my healing through journaling itself." Jessie Mejias grew up in what she would have described as an "Ozzie and Harriet" kind of home—loving parents, close siblings, good schools, and a religion that dictated solid values. What she did not know was that beneath the surface lay a shaky foundation of dysfunctional family rules and generational patterns. As a young adult, Jessie watched her neat world crumble when two of her siblings succumbed to mental illness while the family stood by helplessly. Subsequently, her family scattered and she unwittingly married an abusive, alcoholic man. Her disastrous marriage precipitated her decision to give her life to Christ. But despite her newfound faith, at age 27 she found herself a single mother of two young sons. In the ensuing years, Jessie sought and found healing and growth through studying the Bible and receiving Christian counseling. Miraculously, she and her husband were remarried after seven years of separation and divorce. She became involved in teaching and leading Bible studies within her local church and was confident that she was already experiencing the abundant life that God promised to His children. However, when she decided to return to school to earn a degree in Christian counseling, God began to show her that she was still suffering from the traumas of her childhood, and that shame was an integral part of her life that He wanted to remove. This revelation launched her into an unprecedented time of accelerated healing that was to be the inspiration for this book. Leaving Home—Finding Home chronicles that journey from shame to sonship through one-on-one dialogue with God. Shame is a universal problem that is sometimes hard to pinpoint. We describe ourselves as embarrassed, shy, fearful, or hesitant, but we never actually understand that the source of these emotions is shame. Shame is a terrible feeling that we are a mistake; that somehow we were never supposed to exist. The author found that this feeling of shame was so deeply hidden in her heart that it was not until God began to unwrap her from her emotional chains that she could see that this was the true source of her poor self image. Jessie vividly describes her feelings of shame: "It was as if all my life I had been living in a slum that I would leave from time to time to go the nice clean neighborhood down the block—at first for short times, then for longer and longer periods of time—but inevitably I would end up at some point back in this dump. The sight of it would make me sick, but I did not know how to leave it completely behind." God Himself initiated this unique approach to inner healing as He took Jessie back to her childhood home and school and walked with her through each traumatic event of her young life, reaching deep into her heart to show her what was hidden there.

Spirit-Led Parenting Over the years, a mainstream approach to Christian parenting has emerged, and it's one that promotes sleep training and feeding schedules for infants, warns that spoiled children and marital discord are certain by-products of homes where newborns are over-indulged, and promotes these methods as the Biblical way to care for a new baby. Unfortunately, the message of mainstream parenting advice preys on the universal fear of new parents everywhere: the fear that if they stray from the program, their babies and their marriages will suffer. In Spirit-Led Parenting: From Fear to Freedom in Baby's First Year, two mothers share their stories. They tell of a journey that began in fear-soaked, tear-stained days marked by an overwhelming fear of failure that eventually found redemption in discovering the freedom to ignore the wisdom of man and follow the direction of the Spirit. This gentle path looks toward the example of God the Father, seeks after Christ's unequivocal call to servanthood, and leans upon the wisdom of the Holy Spirit in determining and meeting the individual needs of each unique child. Spirit-Led Parenting doesn't encourage a methodology, but rather a mindset. This outlook on parenting is radically different from what has become the trend in Christian circles, and yet the authors believe that it is firmly rooted in and supported by Scripture. Throughout the book, the authors show how parenting with a spirit-led approach has allowed them to become more peaceful, happy mothers, more intimately connected to their husbands, and closer and more surrendered to Christ. Sharing from their unique experiences as well as their shared philosophy, Megan and Laura play the role of big sisters, wrapping their arms around the shoulder of the new mother trying to navigate the confusing world of life with a baby and answering those important questions: "What if the 'right' way doesn't feel 'right'?" and "Could there be more than one way to honor God as I care for my baby?" There is another way. That's what they wish they had been told as new mothers. And it's the message they are passionate about sharing with new parents everywhere.
