So here's the thing, grammar is defined by linguists (the scientists who study language) to be the observed patterns of speech of native speakers of a language/dialect. Since there appear to be quite a few examples (even in published and -- one presumes -- edited sources) of its use by native speakers therefore it is grammatical.

"I was on travel" : grammar - reddit

Oh man, I've missed writing about my adventures on here! It's weird how busy you get when you're travelling. I always thought I'd have plenty of time to get new blog posts up in between adventures. Turns out... I did not! Although I missed writing, I'm also glad I took the time to really relax and travel the way people should travel.

In an attempt to understand why her best friend committed suicide, eighteen-year-old Cody Reynolds retraces her dead friend's footsteps and makes some startling discoveries.

A travel log of everywhere I've been and where I'm going. Give a gift to treasure forever! "I

"No-one has ever seen this place in the same way you're seeing it right now, right here, in this moment." 'You Are Here' is a travel journal that takes you on your own internal voyage of discovery. By using simple mindfulness techniques you'll find ways to develop a happy, peaceful mind. Many people buy a beautiful notebook to take on holiday. For some, the emptiness of all those pages is daunting. 'You Are Here' guides you through a rich variety of exercises designed to help you thoroughly enjoy your gap year, city break, odyssey, holiday-of-a-lifetime, 'find yourself' journey or weekend away. You'll use fresh, creative thinking to save a memory on every page. Every moment is precious. Every moment is unique. Use this journal to live each moment to the max.

It's time to pack perfect. Every trip, every time. Your journey starts here. When you travel, the journey is just as important as the destination--and packing is the first step. In How to Pack, Hitha Palepu, a former consultant who has traveled more than 500,000 cumulative miles around the world, shows that what and how you pack are who you are. Confidence and comfort inspire success upon arrival, whether you're exploring a new city, hoping to nail a job interview, or relaxing on a beach. In How to Pack, you'll learn about: · Power Pieces vs. Fantasy Pieces: How clothing earns its place in your suitcase · The Accessory Math Secret: The precise formula for all you need to finish off your outfits · Folding versus Rolling: What's right for which items · Globetrotter Gorgeous: Editing your beauty routine while still looking great · The Packing Timeline: How to avoid "I'm forgetting something" syndrome · Pack Perfect Lists: Samples and blanks for any kind of trip

Micronesia, Hawaii, Polynesia, Bora Bora, Seychelles, Maldives, Australia - where does the mind go when imagining such places. Drawn from the best travel blogs and Instagram images, this book brings together the most beautiful locations near, on, or under water. SELLING POINTS: * The 20 best Instagram accounts and blogs illustrate paradise on earth - with the focus on the most idyllic beaches, azure seas, both above and below the water surface * A must-have for every adventurous globetrotter with a passion for the sea and water 270 colour images

This portable guide deck offers prompts to lead you to new and inspiring experiences, no matter the destination. From the author of the bestselling I Was Here travel journal, add variety and spontaneity to any trip with 75 illustrated cards that encourage you to seek out new paths—from slowing down and making time to wander to saying "yes" to serendipitous encounters and unplanned adventures. Detours: 75 Activity Cards for Travel Near and Far is a unique, inspiring, on-the-go tool for curious travelers and anyone looking for creative ways to explore. • GREAT SELF-PURCHASE FOR TRAVELERS AND CREATIVES: A great way to gift new experiences! With 75 different prompts and charming color illustrations throughout, this compact deck makes a thoughtful gift for travelers and folks with a creative spirit. • PERFECT FOR ALL KINDS OF TRAVEL OR SIMPLY TO SPICE UP A DAILY ROUTINE: Unlike destination-specific guides with recommended sights and landmarks, Detours offers open-ended prompts that can be used anywhere (local, domestic, or international travel). Good for staycations and vacations! • EXPERIENCED AUTHOR: Kate Pocrass is an avid traveler and the author and illustrator of several travel-themed journals and gift products. She is a firm believer in making the journey as interesting as the destination.

Cody and Meg were inseparable... Until they weren't. When her best friend, Meg, drinks a bottle of industrial-strength cleaner alone in a motel room, Cody is understandably shocked and devastated. She and Meg shared everything—so how was there no warning? But when Cody travels to Meg's college town to pack up the belongings left behind, she discovers that there's a lot that Meg never told her. About her old roommates, the sort of people Cody never would have met in her dead-end small town in Washington. About Ben McAllister, the boy with a guitar and a sneer, and some secrets of his own. And about an encrypted computer file that Cody can't open—until she does, and suddenly everything Cody thought she knew about her best friend's death gets thrown into question. "I Was Here is a pitch-perfect blend of mystery, tragedy, and romance. Gayle Forman has given us an unflinchingly honest portrait of the bravery that it takes to live after devastating loss." —Stephen Chbosky, author of the #1 New York Times bestselling The Perks of Being a Wallflower

"Nancy's candor and willingness to share her family's profound story is a gift. With painstaking detail, she bravely opens an intimate window into the heart wrenching roller coaster of hope and loss. I was enraged, devastated, and moved with every turn of the page. Hannah Was Here is an alarm that must be heard." ~Brian Aubert- Silversun Pickups "What Nancy has accomplished is nothing short of awe inspiring. There are so many lessons to learn from Hannah's story, with beautiful honesty through Nancy's eyes. Nancy brings recognition to the world and perhaps more importantly the medical community of "DRESS," the undisclosed and potentially lethal complications of pharmaceutical products and policy and the need to stand up and have a voice. How could one little girl touch the lives of so many? Hannah's fight, both in life and death, carried on by her inspiring family will empower hundreds of thousands to choose the beauty of morality, courage, and love. Quite simply, Hannah has changed my life.

Read Free I Was Here A Travel Journal For The Curious Minded

Thank you.” ~Jamie Taylor, MD “Hannah’s story is deeply moving and shocking. To this day, Hannah is accompanying me. How was a single drug given for such benign skin lesions allowed to strike her down and cut short her promising life? This tragic story is urging us to better understand DRESS, and from now on drugs associated with DRESS should be avoided when unjustified.” ~Dr. Vincent Descamps- French expert on DRESS "HANNAH WAS HERE is a tribute like none other I have ever read. Nancy is a one woman army who holds the strength of a country with the touch of a mother's heart. This book should be read by all, young and old, and used to educate the world. Thank you Nancy, from the bottom of my heart." Evan Lesser, Film Producer. "I've never read anything so quick. I'm a slow reader by trade--which makes being a paper grader hard work--so, I know what I'm saying. There were parts that were impossible for me to read. And there were times when I had to wipe through tears to see. You've poured your soul into this writing-and the work you're doing now to inform parents and kids of the dangers of prescriptions and how they're prescribed is such a fitting tribute. I'm just so incredibly moved by what you've written here. Thank you so much” ~Mark Storer English Teacher and Freelance Writer I knew Hannah as the principal of the school that ran her Bully Buddy program and from living next door to her. Still, none of that prepared me for this raw look at the emotional upheaval the entire family experienced. It’s unbelievable reading all that Hannah’s young mind and body endured. Nancy leaves out nothing, telling her families journey and how they came to be enmeshed in a united battle for Hannah’s life. The grisly details of hospital life are intertwined with family history, emails, and journal entries from a remarkable young lady. I knew it was to be a cautionary tale, important for families to read before deciding about acne treatments, but this is a compelling story for any reader. ~Patty Kingsley Principal
