In 1941, Henry Miller, the author of *Tropic of Cancer*, was commissioned by a Los Angeles bookseller to write an erotic novel for a dollar a page. *Under the Roofs of Paris* (originally published as *Opus Pistorum*) is that book. Here one finds Miller's characteristic candor, wit, self-mockery, and celebration of the good life. From Marcelle to Tania, to Alexandra, to Anna, and from the Left Bank to Pigalle, Miller sweeps us up in his odyssey in search of the perfect job, the perfect woman, and the perfect experience.

In this unique work, Henry Miller gives an utterly candid and self-revealing account of the reading he did during his formative years.

Roman comedy evolved early in the war-torn 200s BCE. Troupes of lower-class and slave actors traveled through a militarized landscape full of displaced persons and the newly enslaved; together, the actors made comedy to address mixed-class, hybrid, multilingual audiences. Surveying the whole of the Plautine corpus, where slaves are central figures, and the extant fragments of early comedy, this book is grounded in the history of slavery and integrates theories of resistant speech, humor, and performance. Part I shows how actors joked about what people feared - natal alienation, beatings, sexual abuse, hard labor, hunger, poverty - and how street-theater forms confronted debt, violence, and war loss. Part II catalogues the onstage expression of what people desired: revenge, honor, free will, legal personhood, family, marriage, sex, food, free speech; a way home, through memory; and manumission, or escape - all complicated by the actors' maleness. Comedy starts with anger.

Set in 1940s and '50s provincial Brazil, *House of the Fortunate Buddhas* is perhaps most startling for its fiery, uninhibited, and highly compelling narrator. By force of her intelligence, courage, and strength of will, she achieves an unlikely liberation of both mind and body, and her sardonic, frank—some have called it pornographic—monologue is an unforgettable work of literary ventriloquism, telling the story of one woman's journey toward

fulfillment. From the book: "I decided to give my testimony orally, instead of writing it down, for several reasons, the major one being arthritis. No, let's cut that last line out! I don't have arthritis, and even if I did, I certainly wouldn't let any get into my book. So, fine: preface. I decided to give my testimony orally instead of in writing mainly because it's impossible to write about sex, at least in Portuguese, without coming off like a prostitute who's just been asked to 'talk dirty' for the twentieth time in the same day . . ." House of the Fortunate Buddhas has been translated into French (winning the Grinzane Cavour Prize), Italian, and Spanish, and was adapted into a hit one-woman play in Brazil.

A HILARIOUS, BRAND NEW BOOK IN THE PHENOMENAL LADYBIRDS FOR GROWN UPS SERIES, FOR AUTUMN 2016 The Ladybird Book of the Zombie Apocalypse - a nugget of wisdom from bestselling authors Jason Hazeley and Joel Morris. This delightful book is the latest in the series of Ladybird books which have been specially planned to help grown-ups with the world about them. The large clear script, the careful choice of words, the frequent repetition and the thoughtful matching of text with pictures all enable grown-ups to think they have taught themselves to cope. Featuring original Ladybird artwork alongside brilliantly funny, brand new text.
